

# OnStage Performance

## MUSIC UPLOADS 2020

### Music upload requirement

All teams entering OnStage Performance are required to provide their chosen music to challenge organizers in advance via drop folder.

Music must be uploaded **no later than Friday, 25th September 2020.**

Teams must upload their chosen music in mp3 format via the following jotform link - <https://form.jotform.co/71538738518871>

**The team names on your ticket, and file name MUST be the same.**

**Step 1. Ensure all music is in Mp3 Format.** *If your music is not in mp3 format, please convert it first. Files may be converted online using free tools such as **Convertio** ([www.convertio.co](http://www.convertio.co)).*

**Step 2. Rename each music file: SchoolName\_TeamName.mp3**

*Please ensure you enter the same team name as printed on your ticket.*

**Step 3. UPLOAD here:** <https://form.jotform.co/71538738518871>

### Inappropriate content

Please ensure music is appropriate for all ages. Music containing inappropriate lyrics or themes will be rejected and teams may be unable to compete. Further information may be found in the [official rules](#).

### Performance time

The maximum performance time (excluding restarts) is **2 minutes**. If your chosen track is longer than 2 minutes, your music will be stopped when your track reaches 2 minutes.

### Editing music

Please ensure tracks are edited exactly how teams would like them to play, including any fade-ins, fade-outs, or cutting/joining of segments. Songs may be edited together, and you are free to be as creative as you like. Music can be edited using freely available online tools such as **Audacity** ([www.audacityteam.org](http://www.audacityteam.org))
